Thank you for being faithful to give to missions! We celebrate your faithfulness and pray that God's faithfulness is more than abundant toward you in return. This year was a record breaking year for NC! We gave more than ever before through BGMC and you were a part of that!!! Because of your giving teachers were trained, children were fed, water wells were dug, churches were founded and so much more! The best thing is THOUSANDS of souls were saved!!! Thank you for doing your part!

This year we are looking to go above and beyond (Ephesians 3:20)! If we go above and beyond then our missionaries can above and beyond and the gospel can go above and beyond! NCAGKidmin has taken on the project called AFRICA'S CHILDREN NOW. We are building children's church structures all across Africa. I have included a Project form if you would like to be a part of this project. MAKE SURE to send in form with giving!!! There is a project video on www.ncag.org/children. We have also launched our #1in100 campaign to raise the money needed for this project! We are looking for 100 people from NC to give \$100 each and in appreciation we have a #1in100 t-shirt to send your way! Only 100 t-shirts have been made (in both kid and adult sizes). To partner with this project email or message me and I will send your shirt (s). You will put the money from your church with project form and mail to BGMC so that your church gets credit for the gifts given. Updated information is on our Facebook Page (NCAGKIDMIN) and the NCAG website.

Truly looking forward to all God has for the NCAG!

Blessings,

Larissa Cockrell

NCAG Kidmin Director
